SUBMISSION GUIDELINES

Submitted papers must be **original, unpublished, and not submitted to another** conference or journal for consideration. Accepted papers will be presented at the conference and included in the conference **proceedings published in the IFIP AICT series** by Springer Science and Business Media.

All papers must be written in English. Submissions should be at most **14 pages** long in total including references and appendices. Submissions should **not be anonymised**. PC members are not required to read the appendices, so the paper should be intelligible without them.

Authors must follow the **Springer LNCS formatting instructions**. For camera-ready papers use Latex or Word style (find here: <http://preview.springer.com/gp/computer-science/lncs/conference-proceedings-guidelines>).

Each paper will receive at least three reviews. At least **one author of each accepted paper must register** by the early registration date indicated on the conference website and present the paper. For each accepted paper, at least one full registration is necessary.

After the conference, **extended versions of selected papers** will be considered for publication in the journal Computers & Security. Those papers will undergo at least one other review round.

The best student paper will receive the **Yves Deswarte Best Student Paper Award**. The paper must be original and carried out principally by the student presenting the paper, and the student must be the lead author. A student who is to be considered for the best paper award must be a **full time** (as determined by the student's institution) **registered undergraduate, graduate, or doctoral student at the time of submission of the paper**. Further information can be found at: <https://sec2020.um.si/yves-deswarte-best-student-paper-award/>.

The winner of the Best Student Paper award receives **a certificate, prize money of 1000 € and a free registration at IFIP SEC 2021 conference**.

Further information and submission: <https://sec2020.um.si/>

Papers have to be submitted via Easychair conference system, which can be found at <https://easychair.org/conferences/?conf=ifipsec2020>
